April 11, 2019

Mike Le Breton
St. Marys Cement Inc. (Canada)
55 Industrial Street
Toronto, ON
M4G 3W9

Dear Mr. Le Breton:

RE: Minor site plan amendment under the *Aggregate Resources Act* – Licence # 624984
St. Marys Cement Inc. (Canada)
Part Lots 32-34, Concession 6, Geographic Township of Murray
Corporation of the Municipality of Brighton, Northumberland County

Further to your site plan amendment request of February 7, 2019, please be advised that the Ministry of Natural Resources and Forestry (MNRF) grants consent under Section 16(2) of the *Aggregate Resources Act* to proceed with the following amendment:

- The access road between Phases 1 & 2 may be moved further north than what is shown on the approved site plans, provided its location remains within the parameters approved in your access agreement with the Corporation of the Municipality of Brighton.

In order to complete the amendment process, please contact the MNRF Peterborough District office to determine how this condition can be added to your approved site plan. A copy of this approval will be sent to the appropriate municipal offices.

Please note that the licensee is still bound by the existing site plan until such time that all the above amendments have been carried out and approved. Should you have any questions concerning the matter, please contact James Bakker, Aggregate Technical Specialist, at 705-755-3109.

Sincerely,

A handwritten signature in black ink, appearing to read "Suzy Shalla".

Suzy Shalla
A/District Manager

c. Clerk, Corporation of the Municipality of Brighton
Clerk, Northumberland County
