Dear Mr. Le Breton:

RE: Minor site plan amendment under the *Aggregate Resources Act* – Licence # 624984  
St. Mary's Cement Inc. (Canada)  
Part Lots 32-34, Concession 6, Geographic Township of Murray  
Township of Brighton, Northumberland County

---

Further to your site plan amendment request of May 22, 2018, please be advised that the Ministry of Natural Resources and Forestry (MNR) grants consent under Section 16(2) of the *Aggregate Resources Act* to proceed with the following amendments:

- Wash ponds may be constructed on site as per the dimensions and location shown in your request letter;
- The scrap storage area may be relocated to the position shown in your request letter.

In order to complete the amendment process, please submit four copies of the revised operations page of the site plans to the MNR Peterborough District office. A copy of the revised operations page will be sent to the appropriate municipal offices.

Please note that the licensee is still bound by the existing site plan until such time that all the above amendments have been carried out and approved. Should you have any questions concerning the matter, please contact James Bakker, Aggregate Technical Specialist, at 705-755-3109.

Sincerely,

Trevor Griffin  
District Manager
