Dear Mr. Le Breton:

RE: Minor Site Plan Amendment under Aggregate Resources Act (ARA) - License No. 624984
St. Marys Cement Inc. (Canada) (Codrington Pit),
Part Lots 32 -34, Con 6, Geographic Township of Brighton
Municipality of Brighton, Northumberland County

Further to your site plan amendment request of January 25, 2017, please be advised that the Ministry of Natural Resources and Forestry (MNR) grants consent under Section 16(2) of the *Aggregate Resources Act* to proceed with the following amendment:

- *Installation of hydro lines/poles on site is permitted as per the design submitted with your amendment request;*
- *Revised site plans are to be submitted, including cross section(s), showing the approved location of the hydro line including required setback distances;*
- *Hydro lines/poles will be removed from the site prior to licence surrender;*

In order to complete the amendment process, please submit five (5) copies of the revised site plans to the MNR Peterborough District Office. A copy of this approval will be sent to the appropriate municipal offices.

Please note that the licensee is still bound by the existing site plan until such time that the revised site plans have been submitted and accepted. Should you have any questions please contact Pankaj Vaishnav, Aggregate Technical Specialist, at (705) 755-3109.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Rew", written over a white background.
